This course will provide you with the skills to confidently train groups and individuals, as well as the knowledge to develop assessment tools. You will be able to confidently perform the role of a skilled trainer, facilitator and assessor within your workplace and career.

| April TBA | Volunteer Marine Rescue | Recreational Skippers Ticket (RST)          | 2 Days   | $250                               |

It is now a requirement to hold a Recreational Skippers Ticket (RST) to be in charge of a powerboat. The Recreational Skippers Ticket is essentially like a boat driver’s license. The course is based on a set of marine safety competencies that must be demonstrated to an authorised assessor.

Please Note— You must provide your own vessel for the practical assessment.

| April TBA | St John Ambulance       | ApplyFirst Aid                              | 2 Days   | TBA                                |

This course provides a good general grounding in first aid and will qualify you to perform life support skills.

| May TBA | Eureka 4WD Training   | Drive and recover a 4WD vehicle             | 1 Day    | TBA                                |

This course covers the skills and knowledge required to use appropriate range, gear and techniques to drive a four wheel drive vehicle through and over different terrain and apply basic vehicle recovery techniques.

Please Note— You must provide your own 4WD vehicle

* Please note cost is based on estimated number of enrolments and may vary slightly.
